

At our last Community Meeting, it was suggested that we make giving to Unity of Gaithersburg even easier by providing the use of credit cards as an option.

We have discovered a safe way to do this through using our secure Breeze Church Software to give using your phone via text!

Here are the steps for Text Giving:

- 1 - Input this number into your phone contacts - **301.918.5544** and give it a name you will recognize like: "UoG Text Giving"
- 2 - Create a text message to that number by writing the amount you want to give in the message bar. Example: \$100
- 3 - Send the message
- 4 - You will receive a reply that says "Looks like you are a new giver. Welcome! Click this link to get set up. (you'll only have to do this once)" and then click on the link provided.
- 5 - This link will take you to a secure place to input your credit card information, billing address, email address, etc.
- 6 - When you have completed all the necessary fields, click "Donate Now"
- 7 - You will receive a reply message thanking you for giving, and that you have successfully registered your phone and completed your donation. You will also receive a donation confirmation email.
- 8 - To Text Give in the future, simply text "give" to the UoG Text Giving number and follow the prompts.
- 9 - In the future if you would like to give to the Campus Rejuvenation Fund via text, text "give" and after you receive a reply asking how much you would like to give, type in the donation amount and write CampusRejuv and your donation will go to the Campus Rejuvenation Fund.

That's all there is to to it!

Thank you for your feedback that supported us in implementing this new giving option! And, thank you most of all for your generosity and love expressing! You are a blessing!
